

DICTIONARY
OF THE
FAVORLANG DIALECT
OF THE
FORMOSAN LANGUAGE.

- A*, and; as *chaú a to*, fire and water;
boesum a tū, heaven and earth.
A-á, a twig, a branch; as *a óok*, a twig
of a bamboo; *a-o barón*, a branch of
a tree.
A-dach, a peg, as that on which arms
are hung; *a dach o balasaú*, a hanger;
from *úmmadag*.
A-apách-a, a step; from *úmmapag*.
A-eníg, a word or speech uttered quietly,
as if one were ashamed or abashed;
from *úmnenig*.
Arron, a roll, any thing rolled up; *arron*
o bido, a roll of writing; *arron o bad-*
sige, a sheet of paper rolled up; from
úmmarrou.

A-árras, a step, a pace; from *ámmarráw*.

A-iljt, the stalk or stem of coarse grass.

A-omo, a lady's fillet for the hair.

Abak, a small boat, or sampan.

Abás, the sea.

Abi, pinang : or betel nut.

Abissás, travelling apparatus: from *Ma-bissas*, to make ready.

Abo, ashes, or cinders.

Ach, rust; *ach o dippa*, the rust of iron; *ach o barrieg*, the rust of copper; *ach*, and *mach*, *ino-ach-en*, injured by rust.

Acháchab, five and five, by fives.

Acháú-an, a fire place.

Achiéb, the body.

Achó, not yet; as *acho aban ja ina*, *rummies mamuba*, I do not yet know it, by and bye I shall know it; written also *achai*, and *achipa*.

Achoá, enough.

Adam, a certain small bird, less than a sparrow; variegated with a long tail; from whose cry future good or bad fortune may be presumed: if it cries out twice, or four times, it betokens misfortune; but if once, or thrice, or five times, then good success; if any thing above this, it intimates a still

greater blessing, according to the number of cries.

Ada, a part or share; from *mada*, to divide.

Adach, a coral chain; it may be of poor materials, but much prized by the natives.

Adaúdon, the roof of a house.

Adda, paddy; used for that production in its various stages. *Numatojóarien*, as it just shoots forth. *Minochar-garo*, as it puts forth a broad leaf. *Tummaabbi-alallabach*, as it has two leaflets on the side, and one on the top; a resemblance being supposed to the *lallabach*, a green leek. *Maddocka já adda*, as it is now, $1\frac{1}{2}$ or 2 spans high: *gummisor*, *tummábaron summatis*, when it has attained its full length. *Tummedinnis*, when the grain begins to form. *Páikon ja adda*, when the grain is perfect, and hangs bent down. *Tummaberook ja adda*, when the grain is half ripe. *Machiech ja adda*, when it is quite ripe, and nearly scorched.

Addud, a piece; *addad o ariem*, a piece of a lemon: from *paddat*, to cut, or break.

Addas, and *addas o rima*, the palm of the hand.

Aggan, a crab.

Agd, all kinds of missile weapons, as javelins, pikes: &c. from *maggā*, to cast.

Agganak, seems to mean, it is done, when any end is reached.

Ai, means that, here, but not far off; *ai-i*, *ai-ies*, *ai-inies*, *ailo*, *ailo-ies*, and *ailemons*, the same.

Aiag, a cockroach.

Aicho, and *aicho-ies*, there, but not far off. *Aicho*, *aichoies*, *soo aicho echies*, yonder. *Pait o ta*, *so-o roman kallach*, *gannumma*, there, beyond, yonder. *Paita innai maro maicho*, and *mai-hoies*, it is so, there it is.

Aicho-ech, beyond, outside, far out of sight.

Aisennas, small stars.

A-i-or, the following; *a-i-or natta*, the next; *ajor narroa*, &c. *A-i-or a mato*, next after the large one, that is smaller.

Airo and *essuro*, to suppose, to imagine.

Aissen, is frequently used in different senses; if we meet with this expression

alone, it seems to intimate the doing away with anything, as when anything is burnt: *aissen o chau*, it is burnt in the fire; *aissen o cho*, some one has taken it away.

Aissillak, as *chadsja pila*, nearly hit.

Aito-ito, seven and seven, by seven.

Ake, a word of excuse, when you unknowingly run against any one: as pray excuse me.
